The attached report was made as a result of Mr. Dulles' interest in the subject at the time. One of my recommendations was that the situation be reviewed after six months. One of the principal reasons for that recommendation was that I found several activities either to have been but recently begun or planned for initiation in the near future.

Do you feel a revision of the report to bring it up to date as of the end of the Fiscal year is in order ?

REMARKS:

- 1. This is a good report. only weakness is lack of more detailed explanation of why agency is doing so much in field.*
- 2. See no reason for follow-up, as there probably will have been little change.*
- 3. Please all agency on his return for comment.*
